

Roscommon County residents may add acreage to the 2023 spongy moth spray block map!

- Price is \$40.71 per acre.
- Minimum of 40 acres OR directly adjacent to existing spray blocks.
- Enrolled parcels must be sprayed in their entirety.

All funds and signed contract must be provided to the
Roscommon County Administration Office by: March 18th

Check the Spongy Moth Spray Map:

- Visit <http://roscommoncounty.net/>
- Hover over “Services,” then click “Online Map” on the right hand side.
- Scroll down and click on the Roscommon County Online Map.
- Click on the Layer icon in the upper right corner; the Layer icon is in the center and looks like a stack of paper.
- Click in the box next to 2023 Spray Blocks in the drop-down. The digital spray block layer should appear.
