Lake Township Septic Tank and Field Bid Specifications:

- Bids to include all permits, material, and labor required to complete the work.
- All permits pulled by the contractor.
- All work done per State and County codes.
- The approximate location of existing tank and field are staked for review at the N.E. corner of the Hall. The field continues into the woods some.
- Two bids requested.
 - 1. Install 450 sq. ft field per code approx. 15 ft. x 30 ft.
 - 2. Install a 1000-gallon tank, if the old tank cannot be used as recommended by the County Health Dept.
- Proof of insurance including liability coverage and worker compensation, included with the bid.

All payments for services will be paid each month upon approval at the regularly scheduled monthly Township Board meeting. Any questions regarding bid specifications can be directed to Keith Stiles, Lake Township Supervisor, 989-387-2521.
