Upon approval by the Township, the current Applicant may amend

the Application to reflect such a change in identity or ownership, provided that the substituted Applicant(s) submits any documents required for a new Permit under this Ordinance. The Township Board may set a fee by resolution for such a change.

The Township Board shall approve or deny the Permit within one hundred twenty (120) days of receipt of the completed Application and fees, or within one hundred fifty (150) days if the location of the Permitted Premises is proposed to be amended. The processing time may be extended upon written notice by the Township for good cause, and any failure to meet the required processing time shall not result in the automatic grant of the Permit.

b. *Incomplete Applications*. The Township has no obligation to process or approve any incomplete Application, and any times provided under this Ordinance shall not begin to run until the Township receives a complete Application, as determined by the Township Board. A determination of a complete Application shall not prohibit the Township from requiring supplemental information.

c. *Denial.* If the Township Board identifies or is informed of a deficiency in an Application, the Township Board shall deny the Application and shall provide written notice to the Applicant stating the reason for denial. Except for Applications that are denied for false or misleading information, any Applicant may resubmit a corrected Application to the Township Board after an Application is denied.

d. *Approval.* The Township Board shall make a determination based upon satisfactory compliance with this Ordinance, Application requirements, and all other permits, certificates, rules or regulations and do one of the following:

Approved Permits shall be issued for a term of one (1) year.

f. *Competitive Review.* If at any time there are a greater number of Applications for Permits than there are available Permits for Marihuana Operations within the Township, the Township shall decide among competing Applications by a competitive process intended to select the Applicants who are the best suited to operate within the Township.

g. *Appeal.* Any final denial of a Permit may be appealed to a court of competent jurisdiction; provided that: (1) with respect to a denial of a new Permit, the pendency of an appeal shall not have the effect of granting rights to an Applicant, subject to an order of the court; and (2) with respect to a Renewal Application, provided that the Applicant has paid all required fees (and any additional fees required during the pendency of the appeal), the pre-existing Permit shall be extended during the pendency of the appeal, unless otherwise ordered by a court.

h. *Operation.* Permit Holders shall commence business operations consistent with the Application and without unreasonable delay.

5. No Building Currently Existing. Any Applicant for a Marihuana Operation Permit whose building is not yet in existence at the time of the Township's approval of the Permit shall have one (1) year immediately following the date of the Township's

initial approval to commence construction of the building, in accordance with applicable zoning ordinances, building codes, and any other applicable State or local laws, rules or regulations, and to thereafter complete construction and commence business operations without unreasonable delay.

6. Effect of Transfer. Immediately following the approval of a transfer by the Township Board, transferee(s) will obtain all the interests, rights, obligations, and responsibilities of the previous Permit Holder. Once a Permit Holder has transferred his or her ownership interest, any privileges enjoyed by that Permit Holder under this Ordinance are terminated. For transfers where no building is yet in existence, the deadline for construction shall be extended to one year immediately following the date the transfer is effectuated, but construction must commence within three (3) years after the Township's initial approval of the Permit, regardless of any subsequent transfers.

7. Duty to Supplement.

a. If, at any time before or after a Permit is issued pursuant to this Ordinance, any information required in the Permit Application, the MMFLA, the MRTMA, or any rule or regulation promulgated thereunder, changes in any way from that which is stated in the Application, the Applicant or Licensee shall supplement such information in writing addressed to the Township Board within thirty (30) days from the date upon which such change occurs.

b. An Applicant or Permit Holder has a duty to notify the Township Board in writing of any pending criminal charge, and any criminal conviction of a felony or other offense involving a crime of moral turpitude by the Applicant, any owner, principal officer, director, manager, or employee within ten (10) days of the date when the Applicant, any owner, officer, director, or manager has notice of the event.

c. An Applicant or Permit Holder has a duty to notify the Township Board in writing of any pending criminal charge, and any criminal conviction, whether a felony, misdemeanor, or any violation of a local law related to the cultivation, processing, manufacture, storage, sale, distribution, testing or consumption of any form of Marihuana, the Michigan Medical Marihuana Act, Initiated Law 1 of 2008, the Medical Marihuana Facilities Licensing Act, the Michigan Regulation and Taxation of Marihuana Act, Initiated Law 1 of 2018, any building, fire, health or zoning statute, code or ordinance related to the cultivation, processing, manufacture, storage, sale, distribution, testing or consumption of any form of Marihuana by the Applicant, any owner, officer, director, manager, or employee within (10) ten days of the date when the Applicant, any owner, principal officer, director, or manager has notice of the event.
